

The Jentinks

Christmas 2014

Every year as I get older the time seems to pass by more quickly. 2014 has been no exception. This has been a wonderful year for our family. Nathanael is now a junior and Karis a sophomore in high school. And both are driving ... with permits, but driving, just the same. Kim is working more hours at church. She continues to lead womens ministry as well as do secretarial work for the pastoral staff. I (Craig) continue to provide leadership for the America Central Region with Cadence International. Yes, our year has passed by quickly, but we would like to take a moment and tell you about a few highlights.

In March, Kim and I directed a regional staff conference for the Cadence missionaries under my leadership. The conference was held in near Sierra Vista, Arizona and also at the Cadence Huachuca Hospitality House a short distance away. Dr. Richardson Swenson was the guest speaker. We all gained a better understanding about the important of margin and contentment in life.

In June Nathanael and I had a unique opportunity to participate together in a Peru mission trip. We spent nearly a week in the Amazon Basin helping the Shipibo people build a missions training center in the village of Palestina. That building is now complete and being used to provide biblical training for Shipibo tribesmen from many of the surrounding villages along the Ucayali River.

In July our family traveled back to Minnesota and Wisconsin just in time to

celebrate my mom's 80th birthday. We enjoyed spending time with my parents as well as Kim's brother and family.

And as we end this year we want to thank each one of you who has partnered with us in ministry. We can't begin to express how much your prayers and financial support mean to us and how it has impacted the military community that we serve. We hope that you have a blessed Christmas and celebrate in a new and fresh way the coming of Jesus Christ, the Savior. He is certainly the "reason for the season" and "wise men still seek Him".

Rejoicing in birth of our Saviour,

Craig, for the Jentinks
